

U.S. Probation and Pretrial Services Northern District of Texas are seeking proposals for scanning services. The purpose of this project is to reduce the amount of paper files now being stored. The scanned files will be saved to a flash drive or similar device, to be uploaded by Probation and Pretrial Services. The selected contractor must be able to pick up the records from Probation and Pretrial Services locations and have a secured facility to scan. Personnel under the contractor's supervision must be able to pass background and screening checks as well as Department of Public Safety requirements. Responses to this advertisement must be received by 4:00 pm September 30, 2015. You may email your responses to Greg_Brown@txnp.uscourts.gov or you may deliver your proposals to 1100 Commerce Street, Room 1329, Dallas, TX 75242, by the time and date in the preceding paragraph.
